FRONT WIPER MOTOR

- Engine: **XXX**
- Gearbox: **XXX**

Due to modifications to the front wiper motor, it is now necessary to remove section (A) of the mounting when replacing the motor.

"The repair methods given by the manufacturer in this document are based on the technical specifications current when it was prepared.

The methods may be modified as a result of changes introduced by the manufacturer in the production of the various component units and accessories from which his vehicles are constructed".
